Premium Precision Tape

Product Data:

Backing	Paper	
Adhesive	Acryl	
Adhesion	From Stainless Steel	2N/10 mm
Color	Orange	
Temperatur Resistance	+150°C	

Description: The precision masking tape, is suitable for a wide range of applications in the painting process or wet paint process. This tape has excellent adhesion to all surfaces, is easy to remove and leaves no residue. Easy to use even on rough or uneven and irregular surfaces and compatible with solvent-based paints and most water-based paints. The masking tape is also suitable for multi-layer painting.

Features:

- High temperature resistance
- UV resistant
- Total thickness 110 micron
- Removes with no adhesive residue
- Available on liner for die-cutting applications
